

Update April 2022

Deadlines and formalities of the registration for exam at the Chair for Water Chemistry and Water Technology (oral exams)

Oral exams normally take place during the first and last two weeks of the lecture period.

This is

- For the **winter term**: middle to end of October and beginning to middle of February
- For the **summer term**: middle to end of April and beginning to middle of July

Students should be informed about the exact date of exam 3 weeks before the first day of exam at the latest. **Therefor candidates have to register 5 weeks before the exam at the latest.** Later registrations are not possible.

Registration has to be done via e-mail. For a correct registration we need the following information:

- Study course
- Lecture to be examined
- Matriculation number
- E-Mail address (name.prenome@student.kit.edu)

The official invitation for exam will be sent via e-mail to the e-mail address indicated. The date of exam indicated has to be confirmed via e-mail to the secretariat. The candidate also has to register in CAMPUS for the exam on receipt of the invitation e-mail at the latest! **Exams can only be conducted after online registration in CAMPUS!**
